

SOFTWARE USAGE AGREEMENT

IBEXPERT DISTRIBUTION OEM EDITION

CONDITIONS OF USE

Supplementary to the IBExpert GmbH Contract Terms for the Lease of Software (General Terms and Conditions Software Lease), the following regulations apply to the IBExpert Distribution OEM Edition:

1. The IBExpert Distribution OEM Edition entitles the IBExpert contract partner to distribute the IBExpert Distribution OEM Edition exclusively together with the IBExpert contract partner's own software.

The activation of the IBExpert Distribution OEM Edition is bound to the product name of the IBExpert contract partner's software, with which the file, IBEScript.exe, is to be distributed.

Distribution with other products owned by the contract partner, or a change of the IBExpert contract partner's software product name, requires written confirmation and approval by IBExpert GmbH.

Computer-specific activations are not required.

2. The IBExpert Distribution OEM Edition permits unlimited distribution of the software file, IBEScript.exe, together with the IBExpert contract partner's registered software as described under 1.

3. The IBExpert Distribution OEM Edition comprises a customized EXE including the IBExpert contract partner's name and customized call parameters.

4. The IBExpert Distribution OEM Edition does not include any updates. A service fee of 25% of the IBExpert Distribution OEM Edition costs is charged per update.
