## IBEXPERT SERVER TOOLS

Supplementary to the IBEExpert GmbH Contract Terms for the Lease of Software (General Terms and Conditions Software Lease), the following terms and conditions apply to the IBEExpert Server Tools software, hereinafter referred to as Server Tools:

1. The Server Tools are made available in the IBEExpert Download Center, in the registered customer account. Following registration in the IBEExpert Download Center, the login data is sent to the customer's e-mail address with the subject line *Your Password for the IBEExpert Download Center*.
2. Hardware-independent activations are required. Each Server Tools software edition includes a singular download. No further activation codes can be made available to the customer following activation.
3. In virtual environments only 1 instance may be active per Server Tools activation. 1 IBEExpert Server Tools registration is required for each copy of the virtual machine on which the script engine is to be used. Transfer to another virtual machine is not possible.
4. Access to the IBEExpert Download Center is valid for 12 months. All software registrations must be activated within 12 months in the IBEExpert Download Center.
5. The customer registered in the IBEExpert Download Center is entitled to pass on the IBEExpert modules listed under point 6. to his customers.
6. The IBEExpert Server Tools include the following IBEExpert modules: IBEScript.dll, IBEScript.exe, IBEBackupRestore.
7. The customer may continue to use the IBEExpert modules listed under point 6. indefinitely on the registered hardware.
